Handgun Safety

SAFE USE OF A FIREARM IS YOUR PERSONAL RESPONSIBILITY AND THE FAILURE TO FOLLOW BASIC SAFETY RULES MAY RESULT IN SEVERE PERSONAL INJURY OR DEATH.

Basic Handgun Safety Rules:

1. Treat ALL firearms as if they were loaded.
2. DO NOT point at or cover anything with the muzzle until ready to shoot.
3. Keep trigger finger off the trigger and outside the trigger guard until ready to shoot.
4. Be certain of your target and your line of fire.

Safe and secure storage of your firearm is one of your most important responsibilities. It is a full-time responsibility. You must always secure your firearm and ammunition so that they are not accessible to children or other unauthorized persons.

If you own a weapon you must register in accordance with Fort Stewart Regulation 190-2. Weapon registration is required just like vehicle registration on Fort Stewart. <http://www.stewart.army.mil/des/gateInfoVehReg.asp>
